

## **DRAW - Saturday 4th June 2016**

All crews are reminded that substitutions must be notified when you check in at Crew Registration, which must be at least one hour before the first race of your event (not your race time).

In some cases more than one event has been combined into a single race. Prizes will be awarded to the winning crew in each status, subject to the normal proviso that at least 2 crews must start in that status.
