

DRAW - Sunday 5th June 2016

All crews are reminded that substitutions must be notified when you check in at Crew Registration, which must be at least one hour before the first race of your event (not your race time).

In some cases more than one event has been combined into a single race. Prizes will be awarded to the winning crew in each status, subject to the normal proviso that at least 2 crews must start in that status.

In the Challenge Eights events prizes will be awarded to the winning crew overall and the highest placed crew in each status provided at least 2 start in that status. In Masters Eights events the winner will be decided on handicap - all crews will start together and the handicap applied afterwards.
